**418-21 Flynn Bldg.**

St. James' Park, London, 1870. The artist's sketch of the building, showing the central tower and the surrounding landscape, is a detailed study of the architecture and its setting. The drawing is executed in a fine, delicate line, capturing the essence of the building's design and the surrounding environment.

At the time of the 1990 census, the population of the city was 11,000.

DES MOINES  
STREET AND AVENUE GUIDE  
AND  
DIRECTORY OF HOUSEHOLDERS

(Copyright 1911 by R. L. Polk & Co.)

In the following list, the streets and avenues are arranged in alphabetical order, without regard to location, intersecting streets being shown, the number of each building on the street is given in numerical order, and opposite the number is placed the name of occupant or householder. Houses with no numbers are not given. To find occupation of householder, refer to the alphabetical list of names.
